CADELL
AGED &
WEATHERED OAK

Boasting a fresh new look and dynamic perspective, the Cadell dining range creates a contemporary aesthetic through well-considered design. Organic lines are at the heart of this crafted work: split panel tops with wavy edges in a refined aged oak finish that beautifully contrasts with the weathered oak detailing featured in the finely tapered legs. This detailing also seamlessly follows through in the cut silhouette of the cabinets. Options on the upholstered chairs in warm stone washed colours of smoke grey, slate blue and mulberry as well as a rich distressed brown leather marry beautifully with the aged and weathered oak colours. Cadell offers a cutting edge look to transform any modern home.

Due to the nature of stone washed fabrics the smoked grey, slate blue and mulberry upholstered chairs may vary slightly in colour from one batch to the next. The worn-in and faded appearance will also enhance with use and over time.
